
CELEBRATING HEALTH CARE INNOVATION IN ONTARIO EXPO 2008 FINALISTS

April 17, 2008

Celebrating Innovations in Health Care Expo 2008 showcases some of the leading initiatives underway in support of Ontario's health care system. More than 300 exhibitors will promote creative ideas to address important health care issues. The Expo presents an opportunity to share knowledge and generate the potential for new approaches to benefit health care delivery for Ontarians.

The 2008 Innovations in Health Care Awards are presented in recognition of outstanding innovation in six designated categories. This year's finalists were chosen by an independent panel of health care experts from over 400 submissions. The finalists include:
